# MODULE 1 - CLASS NOTES

---

## NOTES

Prepared By

P34. Krishnaraj Thadesar

Batch A2

August 29, 2022

# Contents

# 1  Things to do

1. Types of Inheritance

2. Virtual base Classs

3. Polymorphism

4. Vitual functions

# 2  Inheritance

- It is the mechanism by which one class acquires the properties of another class

- Provides a way to create a new class from an existing class

-
